

2 August 2018

Medicare chronic disease items and compliance

For practice nurses and practice managers

Do you get confused about Medicare regulations when billing chronic disease items?

Would you like a thorough overview of Medicare compliance requirements?

Do you understand your practices responsibilities when running nurse clinics?

If you have answered 'yes' to any of these questions, then this workshop is for you. It is suitable for both practice managers and nurses.

Event details

The workshop will be facilitated by Riwka Hagen. Riwka has over 20 years' experience in practice business management together with extensive experience as an accreditation surveyor.

Topics:

The Medicare compliance framework as it relates to

- chronic disease management
- key Medicare item numbers
- consent, documentation, communication and review of chronic disease item numbers
- Medicare collaboration requirements
- Medicare auditing processes.
