Reasons for getting up-to-date with COVID-19 boosters

IN-PERSON DINNER MEETING

Date: Monday, 12 December 2022 | 6:30-8:30pm AEDT

Venue: Prince Dining Room | 2 Acland St, St Kilda VIC 3182

Moderna Australia are pleased to invite you to this educational dinner meeting in our **bench2practice** series. The meeting will review the pandemic in Australia through the lens of SARS-CoV-2 evolution and the driving forces behind the need for boosters. The presentation will also explain the rationale for next-generation ('bivalent') boosters and review the safety and immunogenicity data for Moderna's newly registered bivalent Original/Omicron COVID-19 vaccine. A practical perspective on communicating these advancements to patients will also be provided. Following these short presentations there will be ample opportunity for Q&A with the experts.

Dr Hilda Jessop: 10 mins; Dr Simon Hardwick: 10 mins; Dr Paul Van Buynder: 30 mins; Q&A: 20 mins.

SPEAKERS:

Prof. Paul Van Buynder
Public Health Physician
Professor, School of Medicine
Griffith University

Dr. Hilda Jessop
General Practitioner
Vitality Medical Health Centre
Medical Educator
Murray City Country Coast GP
Training
