Freedom Aged Care

THE EVENT

With our population ageing and with more choices than ever in aged care, there's never been a better time for our healthcare community to come together and discuss the options and what they mean for our patients.

Presented by Rachel Lane, a prominent advisor in aged care and co-author of the widely recognised resource, 'Aged Care Who Cares', this presentation aims to equip you with the knowledge needed to ensure your patients achieve the best possible outcome on their ageing journey.

Numbers are limited, so please register early to secure your place. No registration fees apply.

RSVP

By Monday 19 February to Andrea on 0436 650 019 or abyrne@freedomagedcare.com.au
Please specify any dietary requirements on registration.

Parking available onsite.
