

# Overview of the National General Practice Accreditation Scheme

Join Eastern Melbourne PHN for an enlightening webinar presented by the Australian Commission on Safety and Quality in Health Care and the Royal Australian College of General Practitioners.

## Summary

The webinar aims to shed light on the National General Practice Accreditation Scheme, which supports the consistent assessment of Australian general practices against the Royal Australian College of General Practitioners (RACGP) Standards for general practices and the RACGP Standards for point-of-care testing.

Gain an understanding of who oversees the accreditation process and the benefits of becoming accredited against the RACGP Standards for general practices. Don't miss this opportunity to expand your knowledge and insights into addressing, identifying and improving quality in your healthcare setting. Register now for this informative event.

## Learning outcomes

1. Who are the COMMISSION and RACGP
2. RACGP Standards for general practices (5th edition)
3. Understanding the accreditation assessment process
4. Where to go for more information.
