

SEEKING GPs WHO WORK IN THE EMPHN CATCHMENT TO PARTICIPATE IN A PAID EVALUATION

[Impact Co.](#), together with [BehaviourWorks Australia](#), is supporting EMPHN to conduct an evaluation of a program designed to upskill GPs and EMPHN-commissioned mental health and AOD providers to work with patients experiencing mental illness or AOD concerns.

The evaluation is looking for GPs who work within the EMPHN catchment to participate in one or both of the following:

1. A 20-minute online survey (go into the draw to win a \$500 gift voucher)
2. A 1-hour interview/focus group (reimbursed at \$150/hour)

Your input will help to improve the support available for clinicians in the region.
