

AOD Forum

Hot Topics, Networking and Making Alcohol & Other Drug (AOD) Supports Work for You!

2018

26

June

Join us on the 26th of June to network with key AOD experts and stakeholders to enhance knowledge and insight on hot topics, AOD referral processes and supports.

- Explore key ideas for improving AOD service referral.
- Network with health practitioners, AOD workers and other AOD partners.
- Active demonstration of HealthPathways and exploration of possible future direction of HealthPathways in the AOD space.

SPEAKERS

Dr Malcolm Dobbin | Senior Medical Advisor, DHHS
SafeScript Update

Dr Yvonne Bonomo | Director, Addiction Medicine, St Vincent's Hospital
Alcohol in Pregnancy

Brad Pearce | Acting Manager Alcohol and Other Drugs, NWMPHN
Working Together To Better Understand AOD Supports

Dr Shalini Arunogiri | Addiction Psychiatrist, Turning Point
Methamphetamine & Psychosis: perspectives from research for frontline clinicians

Dr Nick Rhodes | Clinical Editor, HealthPathways NWMPHN
Opioid Use & Dependence

LEARNING OUTCOMES

- Develop appropriate treatment plans for opioid dependence using HealthPathways.
- Identify the challenges and rewards when working with patients with AOD issues.
- Explain and critique the issues relating to alcohol use during pregnancy.
- Navigate the AOD referral system.
- Comment on the relationship between psychosis and stimulant use.
