

Allied Health Webinars on Digital Health

The Australian Digital Health Agency and Allied Health Professions Australia are co-hosting two webinars on the My Health Record and its use by the Allied Health professions. The webinars will be presented by the Agency, AHPA and allied health practitioners who are using the My Health Record.

As they are standalone webinars you only need to register for one of the sessions using the links below. For more information contact clinicalpartnerships@digitalhealth.gov.au.

Webinar 1 - Allied Health and the My Health Record (General)

24th July 2018, 7pm to 8.15pm

A standalone session that provides an introduction to the My Health Record for allied health suitable for all professions.

Click to [here to register for Webinar 1 with Redback Conferencing](#)

Webinar 2 – Allied Health and the My Health Record (Consultant Professions)

7th August 2018, 7pm to 8.15pm

A standalone session that provides an introduction to the My Health Record for allied health. This session has extra information than in Webinar 1 in this series on privacy and security that may be particularly relevant for consulting professions (e.g. psychologists, social workers, occupational therapists etc.)
