Family Planning Victoria Presenter

Dr Suzanne Pearson, Senior Medical Educator. Suzanne is a member of RACGP with a special interest in reproductive and sexual health and holds a Graduate Certificate in Clinical Education.

Learning outcomes

1. Confidently insert and remove Implanon NXT
2. Include Implanon NXT insertion and removal procedures as a contraceptive option for women in your practice
3. Include discussion about IUDs as a contraceptive option for women in your practice

**please note that this session will not include IUD insertion training*

This event is brought to you by Family Planning Victoria, Women's Health in the North, North Western Melbourne PHN and Eastern Melbourne PHN as part of the Shared Vision for the North (SVN) collaborative.

SVN has identified sexual and reproductive health education for primary care practitioners as a key priority.

Morning tea will be provided.

Attendance at Implanon NXT training component will entitle you to receive an Implanon NXT certificate provided by MSD.

No RACGP points apply to this activity.
