

## Mobile-Platform Checklist

This is a checklist to prepare you for the full launch of the HealthPathways Melbourne mobile-friendly website:

### FROM 14 SEPTEMBER 2021

<input type="checkbox"/>	1. Request unique URL for my organisation. Send request to <a href="mailto:info@healthpathwaysmelbourne.org.au">info@healthpathwaysmelbourne.org.au</a>
<input type="checkbox"/>	2. Bookmark unique URL. Follow <a href="#">these instructions</a> or contact <a href="mailto:info@healthpathwaysmelbourne.org.au">info@healthpathwaysmelbourne.org.au</a> for assistance.  For general practice clinics, you may need to do this on all computers, for each staff member.
<input type="checkbox"/>	3. Add melbourne.communityhealthpathways.org to my browser's Trusted Sites  Depending on organisation's IT set-up, you may need to add <a href="https://melbourne.communityhealthpathways.org">https://melbourne.communityhealthpathways.org</a> to your organisation's list of <u>Trusted Sites</u> . <ul style="list-style-type: none"> <li>• <a href="#">Google Chrome Help – Add a trusted site</a></li> <li>• <a href="#">Change security and privacy settings for Internet Explorer 11</a> – Add or remove a site from a security zone</li> </ul>

### AFTER 12 OCTOBER 2021

<input type="checkbox"/>	1. If you already have your unique URL bookmarked, it is recommended that you update this URL with the new domain name. To update, simply replace: <a href="https://melbourne.healthpathways.org.au/LoginFiles/Landing.aspx?from=12345abcdefg123456789&amp;page=13454.htm">https://melbourne.healthpathways.org.au/LoginFiles/Landing.aspx?from=12345abcdefg123456789&amp;page=13454.htm</a>  With <a href="https://melbourne.communityhealthpathways.org/LoginFiles/Landing.aspx?from=12345abcdefg123456789&amp;page=13454.htm">https://melbourne.communityhealthpathways.org/LoginFiles/Landing.aspx?from=12345abcdefg123456789&amp;page=13454.htm</a>
<input type="checkbox"/>	2. If you have a link to HealthPathways Melbourne on your website or intranet, follow Point 1 to update the domain name.
