

18 September 2019

Colorectal cancer - understanding treatment options and follow-up care

For general practitioners and practice nurses

Updates on colonoscopy guidelines and criteria for referral, along with treatment options available for colorectal cancer. The survivorship model of care and how to best manage common survivorship issues will also be discussed.

Speakers

Mr James Keck, Clinical Director of Colorectal Surgery, Eastern Health

Dr Belinda Lee, Medical Oncologist, Northern Health

Ms Paula Howell, Colorectal Cancer Shared Care Coordinator/Survivorship Projects Coordinator

Topics

- colorectal cancer screening
- diagnosis and treatment planning
- treatment
- survivorship care – follow-up care and detecting recurrence
- survivorship information and support including shared care
