

# Combined GP, Pain Medicine, Addiction Medicine & Psychiatry Dinner

“Do great minds really think alike?”

An evening to discuss complex pain and addiction conundrums and crossovers.

Brief Update on Real Time Prescription Monitoring **Dr Malcolm Dobbin**, DHHS Senior Medical Advisor

## Moderator

Dr David Jacka, Addiction Medicine Specialist

## Case Coordinator

Dr Clayton Thomas, Pain Specialist.

## Learning outcomes

- Increase collaborative practice between addiction specialists, pain specialists and GPs
- Improve patient safety when prescribing opioids and other pain medications
- Improve management of patients who may have both pain & dependence issues

## Accreditation

Supported by the Royal Australian College of General Practitioners, the Australian and New Zealand College of Anaesthetists Faculty of Pain Medicine and the Royal Australasian College of Physicians.

Proudly supported by Indivior.
