# Cultural perspective: working with Aboriginal and Torres Strait Islander clients in general practice

This session is open to GPs, nurses, practice staff and other practitioners working in this field.

## Facilitator

**AJ Williams-Tchen** is of Wiradjuri/Wotjobulak background and Director of Girraway Ganyi Consultancy Pty Ltd.

## Learning Outcomes

- identify factors that affect contemporary Aboriginal and Torres Strait Islander clients
- discuss how history impacts on current Aboriginal health
- describe measures for cultural safety to occur within practice
- use current initiatives or program to support Aboriginal patients' health needs
- source appropriate support strategies for Aboriginal and Torres Strait Islander patients, families and carers.

*This training meets requirements for the Indigenous PIP Health Incentive for General Practice. To be eligible for the PIP, two participants per practice (including one GP) must attend.*
