Cultural perspective: working with Aboriginal and Torres Strait Islander clients in health care settings

This session is open to GPs, nurses, practice staff and other practitioners working in this field.

Facilitator

AJ Williams-Tchen is of Wiradjuri/Wotjobalak background and Director of Girraway Ganyi Consultancy Pty Ltd.

Learning Outcomes

- identify factors that affect contemporary Aboriginal and Torres Strait Islander clients
- discuss how history impacts on current Aboriginal health
- discuss evidence based practical strategies to assist working with Aboriginal clients and families
- enhance our models and theories of practice.

This training meets requirements for the Indigenous PIP Health Incentive for General Practice. To be eligible for the PIP, two participants per practice (including one GP) must attend.
