

Advance Care Planning Australia

BE OPEN | BE READY | BE HEARD

Difficult Discussions: the art of discussing end-of-life goals

Advance Care Planning Australia, in partnership with Eastern Melbourne PHN is presenting a workshop to help GPs better support their patients with advance care planning discussions.

Date: 20 June 2019

Time: 7.00 - 9.00pm (registrations and light refreshments starting at 6.30pm)

Venue: Education Lecture Theatre, Level 4 Education Precinct
Austin Hospital, 145 Studley Road, Heidelberg

Presenter: Dr Karen Detering, Medical Director of ACPA

Learning objectives:

- Recognise patients for whom advance care planning discussions are indicated
- Identify opportunities to initiate and continue discussion of advance care planning with patients and families
- Describe some of the legal and ethical implications of advance care planning in the context of primary care practice.
