# Doctors in Secondary Schools

## EMPHN Forum For Schools, GPs and nurses

The Doctors in Secondary Schools initiative aims to provide school-based health services to Victorian secondary schools most in need. This forum will provide an opportunity for schools, GPs and nurses to come together discuss local referral pathways, needs and opportunities, as well as strategies to sustain and improve your service.

### Event overview

**Presented by:** Department of Education and Training/Eastern Melbourne PHN/headspace.

**Guest speakers:** from specialist local adolescent mental health, drug and alcohol, and sexual health services

### Learning outcomes

- Increase your knowledge about appropriate referral pathways in your region
- Hear from expert speakers from adolescent health services in your region - mental health, AOD, and sexual health
- Discuss and plan how to improve your student clinic and make it sustainable
- Share challenges and success
- Network with other clinics and schools in your area

### Remuneration

GPs and practice nurses will be remunerated at their normal rate, and travel costs will be included as per travel policy.
