

Collaborative Care Planning Workshop

**Thursday 18th August
2022**

**9am –3.30pm
Box Hill Town Hall, Matsudo
Room**

**Free of charge
Registrations essential via
[Eventbrite Link](#)**

This workshop aims to provide health and community service staff, both clinical and non-clinical, with an opportunity to connect and consider the key elements of care coordination, with a solutions focus.

What to expect from this workshop:

- Explore shared care practices
- Learn about carer experiences
- Gain clarity about information sharing protocols with case based discussion
- Explore the challenges and potential solutions to integrated care
- Engage in care planning with a cross-sector group, and facilitated by a person with a Lived Experience

This event will be catered for morning tea and lunch.
