

# Electronic Prescribing Update

## Webinar for pharmacists

Eastern Melbourne Primary Health Network (EMPHN) invites pharmacists to an interactive session on electronic prescribing.

Electronic prescribing will improve medicines safety and provide new options and convenience for patients.

### Learning outcomes

This webinar is designed to provide an overview of electronic prescribing (EP) and what pharmacy will require to dispense electronic prescriptions.

- Two models of electronic prescribing
- What features will be available in the short term
- Who can participate in EP
- How to prepare for the use of EP in Pharmacy
- Q & A

### Presenters

**Marwa Osman** – Australian Digital Health Agency, Provider Adoption Lead & Pharmacist, Partnerships and clinical use

**Andrew Robinson** - Pharmacy Owner and Digital Health Leader

### Event details

**Date:** Wednesday 20 May 2020

**Time:** 6.30 – 8.00pm
