

Eastern Health moves to eReferrals - what GPs need to know

From 1 December 2020, Eastern Health's Specialist Clinics will be transitioning to accepting only eReferrals. This event will provide GPs with a demonstration of the eReferral process, how the eReferral forms will support GPs to become familiar with the Statewide Referral Criteria, and tips on what you need to prepare for this transition.

Presenters

Zara Homes – Business Improvement Project Manager – Specialist Clinics Eastern Health
Cherylynn Garner – Facilitator – HealthPathways EMPHN
Kirsty MacDougall – Lead Digital Health – EMPHN

Learning outcomes

- understand the role of HealthPathways Melbourne in the eReferral process
- how to find statewide referral criteria on HealthPathways Melbourne
- demonstration of how to send an eReferral to Eastern Health
- develop an improvement plan for your practice processes for secure messaging and electronic referrals
- Q & A.
