

# Joint GP, Pain Medicine, Addiction Medicine & Psychiatry Dinner

“Do great minds really think alike?”

For GPs, Pain Specialists, Addiction Medicine Specialists and Addiction Psychiatrists

## Event Overview

An evening to discuss “complex pain and addiction conundrums and crossovers”.

**Moderator:** Dr Martyn Lloyd Jones, Addiction Medicine Specialist

**Case Coordinator:** Dr Clayton Thomas, Pain Specialist

**Bring your curly case presentations, case discussions and comments.**

- Please send short case scenarios on no more than two PowerPoint slides to Dr Clayton Thomas at least 2 weeks prior to the event. Email: [clayton@melbournepaingroup.com.au](mailto:clayton@melbournepaingroup.com.au)
- Cases will be chosen based on highlighting different and important management problems

## Learning Outcomes

- Increase collaborative practice between addiction specialists, pain specialists and GPs
- Improve patient safety when prescribing opioids and other pain medications
- Improve management of patients who may have both pain and dependence issues
