

14 November 2019

POLAR

Training and PIP QI report

A training opportunity for practice managers, practice nurses and general practitioners on the POLAR data tool including the PIP QI report.

Event details

Jason Ferriggi and Shane Lowe from Outcome Health will be facilitating an interactive POLAR training session, which will suit all levels of users.

Angela Heathcote from EMPHN will also be facilitating a session on how to interpret your practice report.

Bring your usability questions; we will be having interactive POLAR sessions throughout the morning.

Learning outcomes

Understanding the role of data tools in general practice. Topics include:

- interpreting your practice report
- PIP QI report
- HARP tool
- clinical indicators
- clinic summary
- WALRUS demonstration
