Thunderstorm Asthma Workshop

for GPs, Nurses, Pharmacists

Proudly brought to you by the National Asthma Council
Australia and supported by DHHS

The thunderstorm asthma workshops aim to prepare primary health care professionals for the thunderstorm asthma season, and more specifically for the DHHS thunderstorm asthma public health campaign (launching in early September) that is expected to increase public awareness and interaction of the public with primary health care

Presenter

Dr Jenny Gowan, Consultant Pharmacist
Member, NAC Asthma Management Handbook
Guidelines Committee
Teaching Associate Monash University

Topics covered

- What is thunderstorm asthma?
- Who is at risk?
- What to do if thunderstorm asthma is forecast
- Asthma management
- Asthma action plans
- Acute asthma
- Asthma and allergies
