

20 November 2019

Cancer care in general practice

For practice nurses

This session will provide you with a greater understanding of cancer care in general practice, particularly around prostate cancer, colorectal cancer and breast cancer. Common cancer survivorship issues will also be discussed, including the completion of a survivorship care plan.

Speakers

- Mel Caruso** – Prostate Cancer Specialist Nurse, Eastern Health
- Kathryn Wallace** – Breast Care Nurse Consultant, Survivorship Care, Austin Health
- Paula Howell** – CRC Shared Care Project Coordinator, NEMICS

Topics

- prostate cancer
- colorectal cancer
- breast cancer
- cancer survivorship

Discussions will include:

- treatments and their side effects
- managing longer-term side effects
- shared follow-up care
- support Information and services
