

Adult Vaccination Update

Bundoora & Webinar - 13th August 2019

Learn more about National Immunisation Program (NIP) vaccines for your patients and recommendations for the 2019 influenza season.

The Adult Vaccination Update will cover topics including:

- Recommendations for the 2019 influenza season
- Measles outbreak news and updated recommendations
- Zostavax and Pneumococcal advice
- Expanded availability of free adult hepatitis B vaccination
- The GP role in active surveillance and reporting Adverse Events Following Immunisation (AEFI's)

Key Outcomes:

- Identify vaccines recommended for older adults and vulnerable populations
- Identify eligibility criteria for Govt-funded vaccines (NIP &
- Identify recommendations for adult immunisation
- Manage AEFI's, reporting AEFI's and the GP role in active surveillance

Speaker

Dr Peter Eizenberg

While maintaining his General Practice commitments as Director of 'Doctors of Ivanhoe', Dr Eizenberg is a current member of AusVaxSafety Advisory Committee, Influenza Specialist Group & Immunisation Coalition SAC.
