

23 March 2019

St Vincent's Annual GP Symposium 2019 - supporting general practice

St Vincent's Hospital specialists are pleased to present a case-based update on important topics of relevance for GPs.

Program

Chair - **Dr Dave Isaac** - GP and GP Liaison Consultant

Low back pain

The low back pain epidemic - common back pain syndromes and their management:

Mr Peter McNeil - Director of Neurosurgery

Ms Caitlin Farmer - Advance Musculoskeletal Physiotherapist, Neurosurgery

Palliative Care

Supporting patients and GPs in end of life care:

Dr Peter Sherwen - Specialist Palliative Care

Osteoarthritis of the knee

How good is conservative management and if, when and how to move to surgery:

Dr Keith Lim - Rheumatologist

Common thyroid diseases

Thyroid function testing, subclinical syndromes, immune checkpoint inhibitors and those pesky thyroid nodules!

Professor Richard Maclsaac - Director, Department of Endocrinology and Diabetes

Mr Jason Tan - Endocrine Surgeon
