

"My back is not getting any better."

Surgical and non-surgical options for patients with chronic low back pain

Join leading orthopaedic spine surgeon Mr Rez Rahim to discuss an algorithm for managing CLBP as well as the latest surgical and non-surgical options for your patients. Avi Jey (BSc Physio) and Shlomy Hipsher (DPT Physio) from Mainstay Medical will present on a restorative treatment therapy for CLBP.

Wed, 16th Feb 2022
