

Cough, sore throat, COVID or flu?

Come and see a GP today

If you can't see your regular GP, new GP Respiratory Clinics provide fast face-to-face assessment and testing, and immediate support for:

- Asthma
- COPD
- Pneumonia
- Shortness of breath
- COVID-19 (please book ahead)
- Flu/cold symptoms - runny nose, sore throat, cough or fever.

This is a free service for anyone with respiratory symptoms, including children, with or without a Medicare card.

Bookings are available

Clinics are open seven days a week and after hours, in many locations across greater Melbourne.

For locations and more information visit emphn.org.au/gprcs
