# HR Masterclass

## *For practice managers*

Today's environment of changing technology and workforce demands present challenges for employers and managers. While the rapid introduction of cloud based human resources (HR) systems and analytics provide many benefits, it is important for managers to maintain focus on the people part of people management.

### Topics:

- principles of effective performance management
- techniques for conducting a fair and consistent performance review
- workplace bullying and harassment
- confidential conversations and complying with the Privacy Act
- social media.

**Presented by** David Wenban, Director, Australian Health Industry Group\*

### Limited places

Open to practice managers working in accredited general practices within the EMPHN catchment.

**Maximum 1 per practice.**
