STRENGTHENING OUR RESPONSE TO FAMILY VIOLENCE

Date: Wednesday 05 June 2019
Time: 7.00pm – 9.30pm | Registration 6.45pm
Location: The Grove, Hidden Valley Resort, 189 Hidden Valley Boulevard, Wallan 3756
Main Presenter: Dr Deepthi Iyer, General Practitioner and PhD Candidate
Cost: This event is provided at no cost by our sponsors and includes a 2-course meal.

Overview

This activity aims to enhance Doctor's skills to effectively identify the signs of family violence, sensitively inquire, respond supportively and refer to relevant services. It will develop partnerships between the general practice setting and acute services to strengthen the response within the community.

Learning outcomes

- Understanding the complexities of working with families experiencing family violence in a rural region
- Clarify the Doctor's role and increase confidence in identifying, inquiring and responding to patients experiencing family violence
- Apply structured and informed risk management strategies within general practice setting
- Provision of appropriate referral pathways and information sharing
