

Reflections on primary care with Professor Lena Sanci

Join us for this in person, breakfast event to hear from Professor Lena Sanci.

Professor Sanci occupies multiple roles and responsibilities, including being Chief General Practice Advisor to the Victorian Department of Health and Head of Department of General Practice and Primary Care at the University of Melbourne.

She will speak to the:

- Future of primary care from a state perspective.
- Emerging trends, opportunities and models which are improving access, enhancing care and enabling better health outcomes.
