

# LET'S TALK ABOUT SEX: SEXUALITY AND SEXUAL DIFFICULTIES

AN INTRODUCTORY COURSE IN SEXUAL MEDICINE AND THERAPY

## Who should participate?

This multidisciplinary and fully online interactive 2-day course is targeted at General Practitioners, Obstetricians and Gynaecologists, Sexual Health Practitioners, Psychiatrists, Urologists, Psychologists, Psychotherapists, Sexologists, Physiotherapists, Nurse Practitioners, and any interested health practitioners and trainees.

## Course content

The course will discuss the need to talk about sex, the obstacles to talking about sex and will empower the registrants to raise and discuss topics of sexuality and sexual difficulties with their patients / clients. It will cover the assessment and management of common sexual difficulties, from a biopsychosociocultural perspective, provide educational resources and an overview of therapeutic options.
