

Using the My Health Record

Webinar for Specialists and Practice Managers

Eastern Melbourne Primary Health Network (EMPHN) and North West Melbourne Primary Health Network (NWMPHN) invites Specialists and Practice Managers to an interactive session focusing on the use of the My Health Record system and the benefits and value for their practice.

Learning outcomes

The national My Health Record system, driven by the Australian Digital Health Agency, is an electronic summary of an individual's health information. It can be securely shared online between the individual and their healthcare providers and improve patient health outcomes.

- Improved understanding of My Health Record benefits, features, functionality and enhancements.
- What's in it for me and my patients?
- Understand privacy, security and consent
- Registration and getting connected
- Secure messaging and Electronic Prescription Prescribing
