NEMICS ANNUAL FORUM

Tuesday 3rd September 2019

6.00pm — 8.00pm

Manningham Function Centre,
699 Doncaster Road, Doncaster

Registration and refreshments from 5.30pm

Keynote address by A/Prof Leeroy William: **In health care we trust ?**

A/Prof Leeroy William has been a palliative medicine specialist since 2009 and is based in Melbourne. He trained in the UK and worked in New Zealand, before settling in Australia.

He is currently the Clinical Director of the Supportive and Palliative Care Service at Eastern Health, with an Adjunct position at Monash University. He is also the President-Elect of the Australian and New Zealand Society of Palliative Medicine.

Leeroy has an interest in cancer pain, health professional education, transitions to palliative care, communication skills and Schwartz Rounds.

He also manages the Facebook education page “Palliative Medicine Teaching” – a development from medical student teaching.

The evening will also include presentations on local projects :

- Service improvement grant projects
- Aboriginal cultural safety
- Physiotherapy breast cancer education & exercise program
- Opioid prescribing for people with cancer
- Palliative care strategy and action

Registration is essential. Please register online at www.nemics.org.au
or RSVP to nemicsadmin@austin.org.au by Monday 26th August 2019
