

***Cancer Council Victoria is offering a Nurse Ambassador Program and seeking practice nurses and community nurses looking to broaden their scope of practice to include cancer screening and prevention activities across their whole organisation.***

**The program will:**

- ✓ be practical and interactive
- ✓ build the capacity of nurses to support under-screened communities to participate in cancer screening
- ✓ facilitate the sharing of knowledge and experience with peers
- ✓ explore case studies, devise strategies, and provide networking opportunities
- ✓ equip nurses with the most up-to-date research from experts in the cancer screening field

**Day 1: Tuesday 11<sup>th</sup> of September**

**Day 2: Thursday 11<sup>th</sup> of October**

**Ballarat Community Health**

12 Lilburne Street, Lucas

***At the completion of the two-day workshop, nurses will be recognised as Cancer Screening Ambassadors by Cancer Council Victoria.***
