

POLAR webinar

Eastern Melbourne Primary Health Network (EMPHN) invites practice managers, practice nurses, practice staff and general practitioners to two interactive sessions focusing on the use of POLAR and the benefits and value for general practices. Attendees will have the opportunity to follow along using POLAR, which will be demonstrated at the beginning of both sessions. Attendees are welcome to attend both sessions.

Session one: Orientation to POLAR for new users Wednesday 22 July 2020, 11am-12pm

Suitable for staff new to POLAR:

- split your screen to view the webinar and POLAR simultaneously
- how to login to POLAR
- adding users and changing passwords
- data Mapping/Help
- clinic Summary Report followed by Q&A.
