RFT EMPHN – E060 Sector Briefing

Right Care = Better Health Service

Eastern Melbourne Primary Health Network (EMPHN) is releasing a tender to the market on 23rd March 2020 for Right Care = Better Health Service

RFT details

The purpose of the Right Care = Better Health service is to ensure patients with complex and chronic conditions:

- Receive appropriate and timely individually tailored person-centered care
- Experience improved quality of life
- Experience a lowered rate of avoidable hospital admissions.

The Right Care = Better Health service will employ complex health coordination and linkage workers, integrated within up to ten general practices across the EMPHN catchment. The complex health coordination and linkage role will work with general practice identified patients, general practitioners and practice staff to enhance team based care, utilise shared care practice principles and ensure the patient receives the "right care, at the right time, in the right place" through direct support, service navigation and care coordination.

Briefing details

The sector briefing will provide details on (add as many dot points as needed):

- scope of the tender
- timelines and submission process
- evaluation criteria
- pricing schedule.

Time will be provided for questions. Attendees will also be given an opportunity to network immediately following the conclusion of the briefing.
