

INVITATION

Launch

Regional Integrated
Mental Health, Alcohol
and Other Drugs, and
Suicide Prevention Plan
for eastern and north-
eastern Melbourne

With the support of the Australian and Victorian governments, Eastern Melbourne Primary Health Network has facilitated the development of the *Regional Integrated Mental Health, Alcohol and Other Drugs, and Suicide Prevention Plan* in consultation with stakeholders.

Who's invited: Consumer and carers, Members of Parliament, local hospital network staff, key service providers, clinicians and peak bodies including those involved in the development and implementation of the plan.
