Open SR: View > HealthLink Forms Or from HL icon in your Letter Writer

4 simple referral steps

• Search by Name or by category and suburb/ postcode.

3 Complete easy pre-populated form – enter reason for referral, select consult notes, add attachments ...

IR

To open in Medical Director

From your HealthLink tab click the **New Form icon**

Click on SR logo

2 Select specialist and preferred location. You can choose from both e-refer and manual refer (fax) locations.

Submit form, see e-refer delivery status immediately or print manual referral. The referral will be stored in the letters tab (MD) or correspondence out section (BP). Print referral and hand to patient.
