

Secure messaging – HealthLink SmartForm and SR Specialist & Referrals in **Best Practice**

For general practitioners, specialists, practice managers and nurses

Use a safe and secure method to communicate patient information directly with other healthcare providers and axe the fax.

Event details

Join us for a one-hour webinar demonstration using Best Practice to show you how you can use SR to easily find your specialists and then refer to them using the HealthLink SmartForm – saving time and making the referral process simple.

Guest speaker

Dr Carmel Cervin

SR Specialist & Referral Service, Cervin Media Limited.

Learning outcomes

- learn how to send specialist referrals using SR Specialists and Referrals
- learn how to send, receive and check delivery status of referrals
- learn how to include attachments in electronic referrals.

There will also be an opportunity for questions and answers at the end of the webinar.
