

Tuesday 7 March, 2017

First trimester screening update for General Practitioners

- Provide professional development for General Practitioners in pregnancy care with a focus on the shared maternity care model and Vaginal Birth after C-section (VBAC)
- Provide an update and revise first trimester screening including NIPT
- Identify the pathways to services and programs offered by Eastern Health that are available to support GPs in managing pregnant women, including Eastern Health Pathology
- Identify who to contact at Eastern health when a GP has a clinical concern or issue

Presenters:

- **A/Prof Chris Georgiou**
Consultant Obstetrician and Gynaecologist
Director of Obstetrics (Eastern Health)
A/Prof Monash University (Eastern Health Clinical School)
- **Dr Penny Gaskell**
GP Liaison Medical Officer, Eastern Health
- **Trent Burgess & Clare Hunt**
Victorian Clinical Genetics Services (VCGS)
- **Dr Marija Borosak**
Pathology, Eastern Health
