

## **Transitioned AOD Programs**

### **Family Alcohol and Drug Service (Anglicare)**

- Support for families, a therapeutic treatment option for parents and other family members impacted by problematic substance use

### **Family Focus Project (EACH, as lead agency)**

- A service provided through the EDAS consortium (EACH, Access Health and Community, Link Health and Community) delivering individual and family counselling for communities effected by problematic substance abuse.

### **Dual Diagnosis Program (Anglicare)**

- Direct service delivery for individuals and their families impacted by issues relating to dual diagnosis in both a counselling and case management capacity.

### **Project HOPE (EACH – Knox)**

- Project HOPE provides integrated care for people with AOD and co-occurring issues utilising a peer-led recovery approach to individuals and families where there is a co-occurring mental health and substance use concern

### **THRIVE (EACH – Knox)**

- Provides assessment, consultation and counselling treatment for individuals and significant others where there is a substance use concern and/or co-occurring mental health concern.

Note: Project HOPE and THRIVE have been combined into one project

### **Yarra Ranges Youth Project (EACH)**

- Provides outreach support to young people and their families who live in the Yarra Ranges

### **AOD RELATE (Banyule Community Health)**

- Co-located in Banyule CH's GP clinic in West Heidelberg providing therapeutic services for individuals and their families impacted by issues relating to dual diagnosis in both a counselling and case management capacity

### **Eastern Home Based Withdrawal (YSAS)**

- Support young people's recovery from problematic substance use by providing an effective alcohol or drug withdrawal service in the community

### **CALD capacity building project (Link Health and Community)**

- Supporting people from culturally and linguistically diverse (CALD) backgrounds, specifically targeting the Chinese community's access to AOD treatment services
