Installation

You are now ready to install WALRUS you will need to do this on each workstation.

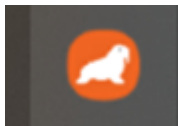

From the Welcome to POLAR page you will see the Walrus tile and the link to the installer download this you may want to save it to a USB if you have multiple workstations.

When Walrus starts you will be prompted to enter your login details. Note these are the same as your POLAR login.

Users will need to login to Walrus each day by clicking on the icon in the task bar it will remain open and change for each patient for an 8 hour session.
