Any additional information to support engagement:						

CONSENT (MUST BE COMPLETED)

1. Consent to receive service and for sharing of service delivery information:

EMPHN and EMPHN funded providers are required to collect and use information about you. This includes personal information and information about the services you are receiving. This information is used only by EMPHN and EMPHN funded providers involved in delivering services to you. This information is used and shared to ensure you get the right service for your needs, to monitor service delivery, performance, evaluate and make improvements to services. This consent condition is mandatory to receive services.

2. Consent to share deidentified data with Department of Health and Aged Care (DoHAC):

EMPHN is required to provide service activity data to the Department of Health and Aged Care, and State and Territory Health Departments (the Depts.). This non personal data sharing does not require your consent and is used to understand the services provided by funded programs. These Depts. are seeking your consent to view additional information to further improve service planning and provision. They would like to view **de-identified** personal information such as date of birth, gender and postcode. This de-identified data can also be linked to other available de-identified data from other services. We will not share any identifiable information such as name, address or Medicare number. Do you consent to these Depts. viewing your de-identified personal details? Please note you can withdraw your consent at any time.

3. Consent to collection and sharing of information with other services:

Name

Please list all service providers, carers and supports you consent to being contacted by EMPHN or EMPHN's funded service providers to discuss you/your dependent's provision of care and planning (e.g. GP, Psychiatrist, CAT team, allied health professionals etc.).
