Home Medication Review	4	\$706	0.2%	\$176.40	2,483	\$133.73	\$332,039
Heart Health Check	11	\$912	0.2%	\$82.90	4,844	\$74.63	\$361,484
Total	518	\$62,803	15.3%	\$121.24	20,390	\$112.12	\$2,127,752

Other MBS Items: \$347,244 (84.7%) Top 3 other MBS Items: Item 23 (\$123,365 = 30%) | Item 36 (\$56,289 = 14%) | Item 75870 (\$50,100 = 12%)

This table provides a financial overview of actual claims based on the Medicare Benefits Schedule rebate amount. Please note that the current month data is from patients with the Patient Status Active filter applied. The Opportunities figures only include Practice and RACGP Active patients.

Note: This data is based on your practice, the MBS items may have already been claimed at another Practice. Please check before claiming.
