

EMPHN Practice Nurse Education Day

30 April 2025

*Crystal Barbedo
Program Specialist HealthPathways*

Pathways are written by GP clinical editors with support from local GPs, hospital-based specialists and other subject matter experts

- 
- **clear and concise, evidence-based medical advice**
 - **Reduce variation in care**
 - **how to refer to the most appropriate hospital, community health service or allied health provider.**
 - **what services are available to my patients**

Accessing HealthPathways Melbourne

Please click on the **Sign in or register** button to create your individual account or scan the QR code below.

If you have any questions, please email the team info@healthpathwaysmelbourne.org.au.

melbourne.healthpathways.org.au

A screenshot of the HealthPathways Melbourne website. The header is blue with the "Community HealthPathways Melbourne" logo and name. The main content area is white. On the left, there is a "Welcome" section with a message for health professionals, an "Important update" about individual accounts, and a "Sign in or register" button. On the right, there is a sidebar with links for "What is HealthPathways?", "General enquiries", and "Terms and conditions", along with logos for "phn Eastern Melbourne" and "phn North Western Melbourne".

Community HealthPathways Melbourne

Welcome

This website is for health professionals only.

Important update: individual HealthPathways accounts are now required

To enhance the security and personalisation of your HealthPathways experience, shared logins are no longer available. All users will now need to access the site with an individual HealthPathways account.

Sign in or register to request access.
