Family violence support	vic.gov.au (www.vic.gov.au)	> Family violence statewide support services

## Education – General

All nurse education offered by EMPHN is free. Other organisations offer education either free or at learner's expense. For further practice nurse support contact <u>EMPHN Practice Support</u>

Victorian and Tasmanian PHN Alliar	nce (VTPHNA)	> Online Learning
HotDocs Webinars		> Free Webinars for Health Practitioners
APNA 'Orientation for Nurses New to General Practice'	APNA membership provides some free online training   apna.asn.au	<u>'Orientation for Nurses New to General Practice'</u> <u>course</u>
GPEx online modular training		> Practice Nurse Education and Development Program
The Benchmarque Group	Offer most courses at learner's expense and free government-sponsored courses	> benchmarquegroup.com.au
Privacy in Practice Training	Free Privacy training	> Privacy in Practice Training— OAIC

Health assessments		
Medicare health assessments resource kit	Department of Health, Disability and Ageing	> Medicare Health Assessments Resource Kit
Services Australia Education guide	Health assessments and your record keeping responsibilities	Health assessments and your record keeping responsibilities
MBS Online MBS Health Assessments and associated notes	Indigenous Health, Heart Health Check & Menopause Health Assessments	> <u>Item 705</u> > <u>Item 715</u> > <u>Item 699</u> > <u>Item 695</u>
Victorian Tasmanian PHN Alliance Health Assessments – 45-49; 75+	VTPHNA	> <u>Health Assessments: 75 + Years</u>
RACGP Conducting quality health assessments in GP	APNA-RACGP	> Quality health assessment info sheet
Aboriginal and Torres Strait Islander health check templates	RACGP	> Resources to support health checks for Aboriginal and Torres Strait Islander people

Digital Health	For assistance, contact the EMPHN Digital Health team	
My Health Record	Australian Digital Health Agency   digitalhealth.gov.au	<ul> <li>&gt; myhealthrecord.gov.au</li> <li>&gt; My Health Record for healthcare providers</li> <li>&gt; Training and support</li> <li>&gt; Healthcare Providers</li> </ul>
RACGP My Health Record Brief Guide for General Practice	My Health Record is an electronic summary which may contain some of a patient's key health information. This allows information to be shared securely between the patient and registered healthcare providers involved in their care, to support improved decision making and continuity of care.	> My Health Record A brief guide for general practice   racgp.org.au
RACGP Practice Incentives Program eHealth Incentive (ePIP)	Shared Health Summary (SHS) uploads into My Health record	> Practice Incentives Program eHealth Incentive fact sheet   racgp.org.au
Health Professional Education Resources including PRODA, HPOS, AIR	Apply for PRODA account and save your unique Registration Authority (RA) number which can be used across multiple employers. Your RA number is used when requesting a GP delegates access to HPOS services such as AIR, NCSR and Medicare online checker.	<ul> <li>Health Professional Education Resources</li> <li>How to register for an individual PRODA account</li> <li>HPOS</li> <li>Managing HPOS delegations</li> <li>Link your healthcare identifiers to access HPOS functions</li> </ul>
POLAR	EMPHN supported clinical audit tool for quality improvement	> POLAR data tool   emphn.org.au
Health Direct	Telehealth Platform providing secure video conferencing service purpose-built for health consultations	> Healthdirect Australia Support
Recall and reminde	er audit	
Recall and reminder audit	Recalls are completed for clinically significant events or results and require follow-up. Reminders initiate preventive health activities that are recommended but are at the patient's discretion.	Contact facilitator or email for a copy <b>practicesupport@emphn.org.au</b>

Cold chain manageme	nt	
Cold Chain Management training	Victorian immunisation learning hub for Clinical staff and vaccine coordinators	> vic-immunisation-learning.com
Cold Chain Management – Strive for 5	Extensive guidelines on all aspects of vaccine cold chain management	<ul> <li>National Vaccine Storage Guidelines 'Strive for 5'</li> <li>National Vaccine Storage Guidelines resources</li> </ul>
Cold chain breach poster	National Vaccine Storage Guidelines 'Strive for 5'	> Cold Chain Breach Protocol Poster
Cold chain breach reporting in Victoria	Each state and territory manage its own immunisation program. Any cold chain breach (CCB) must be reported to the Victorian Immunisation Unit	> <u>health.vic.gov.au</u>
Annual vaccine storage self-audit	National Vaccine Storage Guidelines 'Strive for 5', Appendix 2	> <u>Vaccine Storage Self Audit</u>
Checklist for managing a power failure	National Vaccine Storage Guidelines 'Strive for 5', Appendix 9	> Checklist for Managing a Power Failure
Immunisation & Cold Chain Audit	Contact facilitator or email for a copy	practicesupport@emphn.org.au

RACGP clinical guidelines for preventative health	
Guidelines collection	> <u>Preventive health</u>
Guidelines for preventative activities in general practice (Red Book)	> Introduction
Putting prevention into practice guidelines (Green Book)	<ul> <li>Putting prevention into practice: Guidelines for the implementation of prevention in the general practice setting</li> </ul>
Smoking, nutrition, alcohol, physical activity (SNAP)	> Smoking, nutrition, alcohol, physical activity (SNAP)

Immunisation		
Victorian Department of Health Immunisation Information	Main source of information about immunisation in Victoria. Incudes immunisation schedule and vaccine eligibility criteria, vaccine ordering, cold chain management, adverse event reporting, vaccine error management. Subscribe to newsletter for current updates at base of this page	> <u>Immunisation</u> health.vic.gov.au
Department of Health, Disability and Ageing		> <u>Routine Childhood</u> <u>Immunisation Health</u> <u>professionals' kit</u>
Immunisation Handbook		> <u>The Australian Immunisation</u> <u>Handbook</u>
SAEFVIC Adverse Events Following Immunisation	Adverse event reporting in Victoria	> SAFEVAC Reporting
Melbourne Vaccine Education Centre (MVEC)	Immunisation education and extensive resources	> <u>mcri.edu.au</u>
National Centre for Immunisation Research and Surveillance (NCIRS)		<ul> <li>For health professionals</li> <li>Webinar series</li> <li>Multiple vaccinations for children resource</li> </ul>
Victorian Immunisation Program information about Nurse Immunisers	RNs and ENs working in general practice may administer vaccines (S4 drugs) as per a GP's written order within their scope of practice. Nurse Immunisers may administer NIP scheduled vaccines without a GP's written order.	> <u>Nurse immunisers</u> health.vic.gov.au
List of immuniser courses recognised in Victoria is under study programs	Successful completion of a recognised course mean the RN will be a NI in Victoria. When choosing a course consider cost, accessibility, support provided by course, and if it will contribute to any future intended study	<ul> <li>Approved nurse immuniser study programs health.vic.gov.au</li> </ul>
Questions about vaccination	Provides clear answers to common questions about vaccination	> Questions about vaccination
Victorian immunisation resources	Includes pre-immunisation checklist, vaccine side effect advice sheet etc.	> Downloadable immunisation resources   health.vic.gov.au
Anaphylaxis management and kit	The Australian Immunisation Handbook health.gov.au	<ul> <li>Managing anaphylaxis</li> <li>Preparing an anaphylaxis response kit</li> </ul>

Infection prevention and control, and sterilisation
