

# EMPHN Aged Care Collaborative Sessions

Working together to deliver coordinated, connected care for older people

In-person Event  
Multiple Sessions  
Multiple Locations

## WHAT TO EXPECT

You will hear insights from representatives across the health system, including the Commonwealth, local health networks, Ambulance Victoria, the Victorian Virtual ED and Residential In-reach teams. These perspectives will help build a shared understanding of the sector, and shape collaborative approaches to improve outcomes for residents, clinicians and services.
